

Quotable quotes

J. Stott - "It is because there is one God and mediator that all people must be included in the church's prayers and proclamation. It is the unity of God and the uniqueness of Christ which demand the universality of the gospel. God's desire and Christ's death concern all people; therefore the church's duty concerns all people too, reaching out to them both in earnest prayer and in urgent witness."

J. I. Packer - "He that has learned to feel his sins, and to trust Christ as a Savior, has learned the two hardest and greatest lessons in Christianity."
